Vision

To awaken Infinite Consciousness through Infinite Energy and Yoga, guiding humanity towards Self-Realisation, Inner Transformation and Universal Oneness. We envision a world where every individual discovers the Infinite Presence within, lives with wisdom, love, peace and compassion, and contributes to the harmonious evolution of Humanity, Nature, the Earth, the Planets and the Whole Cosmos. Through education, meditation, research, service and conscious living, we aspire to inspire a global civilization rooted in truth, harmony, sustainability and the eternal unity of all existence.

Mission

- ❖ Promote Yoga and Meditation for holistic well-being.
- ❖ Advance Consciousness Studies and Human Excellence.
- ❖ Preserve and promote Indian Knowledge Systems.
- ❖ Encourage environmental conservation and sustainable living.
- ❖ Develop value-based education.
- ❖ Promote research, innovation and interdisciplinary learning.
- ❖ Build a compassionate, peaceful and conscious global society.

Core Philosophy, Values & Environmental Pillars

Save & Serve

We believe that the true purpose of human life is to Save Nature, Serve Humanity, and Awaken Consciousness. Every action should contribute to the well-being of individuals, society, nature and the entire cosmos.

CORE ENVIRONMENTAL PILLARS

1. Paper

Promote responsible use of paper, reduce wastage, encourage recycling, and support a paper-conscious society.

2. Water

Conserve, protect and restore water resources for present and future generations.

3. Tree

Plant, protect and nurture trees to preserve biodiversity and maintain ecological balance.

4. Air

Promote clean air through pollution reduction, environmental awareness and sustainable practices.

5. Environment

Protect ecosystems and encourage sustainable development for harmonious coexistence with nature.

6. Earth

Respect, conserve and protect the Earth's natural resources for the welfare of all living beings.

7. Planet

Promote global environmental responsibility and collective action for the protection of our planet.

8. Whole Cosmos

Recognize the interconnectedness of all existence and inspire universal harmony, peace and conscious living.

Our Commitment

We are committed to nurturing conscious individuals who live with wisdom, compassion, integrity and responsibility, working towards the well-being of Humanity, Nature, the Earth, the Planets and the Whole Cosmos through Yoga, Meditation, Education, Research and Selfless Service.

IAIEY is committed to integrating Yoga, Meditation, Consciousness, Education, Environmental Stewardship and Human Values to build a healthier, more peaceful and sustainable world.

Message from the Chair-Woman

*It gives me immense pleasure to present the Institutional Profile of the **International Association of Infinite Energy & Yoga (IAIEY)**, a registered non-profit organization established with the vision of promoting Yoga, Meditation, Consciousness, Holistic Education, Environmental Stewardship, Human Values and Sustainable Development.*

*At **IAIEY**, we believe that true progress begins with the transformation of the individual and extends to the well-being of society, nature and humanity as a whole. Our guiding philosophy is to integrate the timeless wisdom of Indian Knowledge Systems with modern scientific understanding for creating a healthier, more compassionate and more conscious world.*

*Our long-term vision is the establishment of the **International Consciousness University of Infinite Energy & Yoga (ICUIEY)** — a world-class institution dedicated to education, research, innovation, Yoga Sciences, Meditation Studies, Consciousness Studies, Environmental Sustainability and Human Excellence. Through this initiative, we aspire to contribute meaningfully to nation building while creating an internationally recognized centre of excellence.*

We firmly believe that sustainable development is possible only through collective efforts. Therefore, we seek the guidance, cooperation and partnership of Government Departments, Local Authorities, Educational Institutions, Corporate Social Responsibility (CSR) partners and civil society organizations in implementing programmes that promote public welfare, environmental conservation, value-based education and holistic human development.

*On behalf of **IAIEY**, I express my sincere gratitude to all Government Authorities, well-wishers, volunteers and stakeholders for their continued encouragement and support. Together, let us build a future founded on wisdom, compassion, harmony and responsible service to humanity.*

With warm regards,

Padma Kesarwani
